DETAILED ACTION

1. This action is in response to applicant's amendment filed on March 05, 2007.
Claims 13 and 26 have been cancelled. **Claims 1, 4, 6-8, 12, 14-17 and 20-24** are currently pending in the present application.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
3. **Claims 8, 12, 14-17, 20 and 24** are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

With respect to claim 8, applicant recites the limitation "the future" on line 8 of claim 8, however there is insufficient antecedent basis for this limitation in the claim.

With respect to claim 15, applicant recites the limitation "the future" on line 11 of claim 15, however there is insufficient antecedent basis for this limitation in the claim.

With respect to claim 24, applicant recites the limitation "the future" on line 13 of claim 24, however there is insufficient antecedent basis for this limitation in the claim.

With respect to claims 12, 14, 16, 17 and 20, they include the same issues explained above for parent claims 8, 15 and 24, and are rejected for the same reasons explained above.

Appropriate correction is required.

Response to Arguments

4. Applicant's arguments with respect to claims 1, 4, 6-8, 12, 14-17 and 20-24 have been considered but are moot in view of the new ground(s) of rejection. Several attempts were made to contact applicant's representative, Dana Lemoine to discuss the rejections under 35 U.S.C. 112 and to propose possible amendments to the claims to expedite the prosecution of the application, but applicant's representative was unreachable.

Allowable Subject Matter

5. Claims 1, 4, 6-7 and 21-23 are allowed.

Conclusion

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

Art Unit: 2617

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
